We understand that most people will only arrange a funeral once, perhaps twice in their lifetime. When this time comes, families are often overwhelmed by the extent as to how much a funeral will cost. We believe that Funeral Directors should be transparent and honest about the prices they charge for funerals. With this in mind, we have taken the decision to put our prices on our website, to help you make an informed decision as to what kind of funeral you would really like to have.

## Purest Cremation

# £1100.00

*Includes all necessary disbursements.*

### What our Purest Cremation includes?

- The services of our experienced funeral directors for completion of the necessary paperwork.
- Conveyance of your relative or friend into our care in normal working hours
- Care and attention in looking after your relative or friend
- Provision of a coffin suitable for cremation
- Direct transfer to a local crematorium of our choice for private cremation
- Cremation Fee
- Collection of cremated remains to be brought back to one of our chapels

### The above service specifically **EXCLUDES**:

- Conveyance of the person who has died out of working hours \* Outside of working hours, there is an additional fee of £250
- If outside 20-mile radius of our Head Office, mileage charge of £2 a mile
- Embalming
- Visiting your relative or friend at our chapel of rest
- Any funeral procession or service prior to cremation

**All charges, and disbursements / fees must be paid prior to the cremation taking place.**

We can hold this service at other local **crematoriums of your choice**, but these could incur additional charges due to the increased local council's cremation charges.

### **Cremated Remains**

The cremated remains can be collected from our Head Office following the cremation or if preferred they can be strewn within the crematorium grounds.

Other options regarding the return of cremated remains are available at an extra cost.

## Bespoke Funeral

*(Create Your Own)*

If you are looking for something different, we will work with you to create a tailor-made funeral that specifically meets your wishes. Bespoke funerals are often put together for families who might be looking for a burial and a church service, or a service somewhere different prior to a cremation, maybe you are looking for a different form of transport such as horse drawn or bespoke hearses, or have specific requests you would like us to carry out. Our Funeral Director's will go above and beyond to help you.

\* Working hours are 9am – 5pm Monday to Friday, excluding weekends and Bank Holidays.
